

Hello Mari, Nicolas and the rest of the family!

I have decided to take part in the annual Fox Lake Polar Plunge on February 28th which is a fundraiser for Special Olympics. I am asking you to make a donation to my polar plunge for a great cause while I have to go and freeze my buns off! Think of it this way, I am taking the plunge, so you don't have to! Any donation would be greatly appreciated, but please do not feel obligated to donate.

This fundraiser raises money for Special Olympics Area 2 & 13. This is the area that Nicolas competes in. The money raised goes towards all of the events that Special Olympics puts on, tournaments, food, state fees for athletes, etc. The money raised will help fund a lot of the things that Nicolas and NISRA compete in.

If you are interested in donating, you can either give me the money directly and I will record in on my web page or you can visit <http://www.firstgiving.com/davedauphin1> to make a donation on my Special Olympics sponsored web page. The donation process online is very simple and if you need help, please let me know. 

I appreciate your support in advance and think warm thoughts for me on the 28th!
